

## RE-BRANDING LAUNCH PARTY - THE BOSTON WINERY (June 14, 2019)

This event was for the official launch of our practice under its new name, Boston Wealth Strategies. We felt it was important to host our clients and thank them for their dedication and support for all these decades, as well as share why this was an important step for us.

As our team and practice continues to grow, we feel that having our own brand is an important part of our identity. We continue to partner with Baystate Financial but wanted our clients of today and the future to know that we are our own practice, consisting of multiple advisors and dedicated support staff. We look forward to the growth of our practice and working with you and your future generations to come.

We'd like to thank all our clients for attending and the Boston Winery for being wonderful hosts for our party. Finally, we need to thank the Boston Red Sox and WEEI for loaning us all four Red Sox trophies. We truly enjoyed having this gathering with so many of our wonderful clients. We look forward to many more years! Thank You - The Boston Wealth Strategies Team
